Highlights of Library Website
https://library.Midwestern.edu

Library Home Page
https://library.midwestern.edu

We Have a Wealth of Information!

https://library.midwestern.edu

Get Online Resources at Library Website

1. **Start from library homepage**
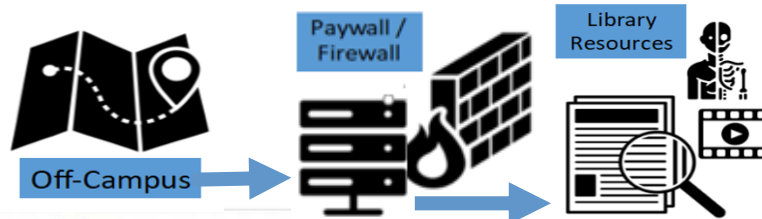

https://library.midwestern.edu

ON-Campus – Access to library resources automatically verified. You will remain logged in for the duration of your browser session
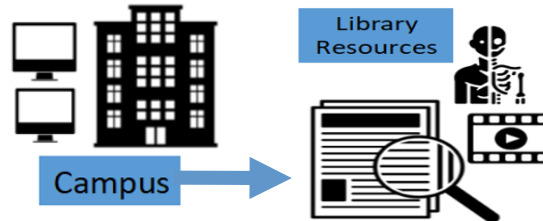

OFF-Campus – When accessing any MWU online resources you will be prompted to enter your MWU username and password

Using Electronic Books - eBooks

Information about the availability of an eBook for reading online or offline can be seen after you log into it.

- For reading Online, full-text is not downloadable or checked out

- For reading Offline, options allow for download or print

Publisher eBook licenses restrict the number of users who can view a book at one time.

- The number of simultaneous users range from 1 user to unlimited users and is noted in the library catalog.
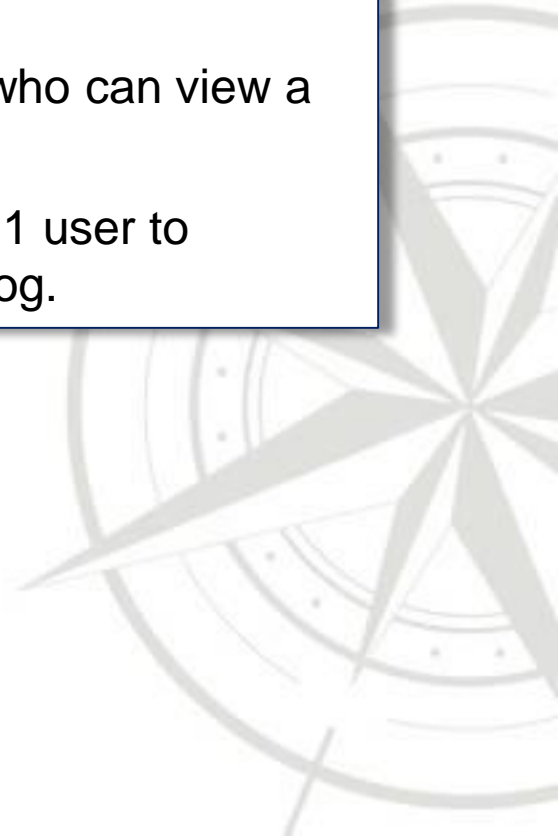

Sign-up for Medical Mobile Apps

Download and register for apps from ON-campus or OFF-campus

1. Start from library homepage

   https://library.midwestern.edu

2. On the top menu bar,
Go to Find > Apps

3. Follow instructions for each
app on either tab that opens

Renew Apps

- Renewal works from both ON-campus and OFF-campus
- ONLY use links provided on library homepage
- Follow instructions for each individual app

Note: Some apps require login from browser at least every 90 days for continued access
