

Interested in a Career in Healthcare?

Join the **2025–26 Mentors in Medicine & Science Program** with Midwestern University students.

First event is October 8 to meet your mentor.

Year-long MIMS Program includes:

- Monthly online or in-person meetings with your mentor in your field of interest
- Fall on-campus tour and networking event
- Access to shadow MWU students throughout the year
- Spring Simulation Center lab activities event
- T-shirt, prizes, and networking opportunities with healthcare professionals
