Comments:

The statistics above include attrition for any reason-academic, personal, and/or medical. The attrition rate due to academic dismissal was 0% for 2021, 2022 and 2023.

The attrition numbers above include students who left their cohort due to deceleration, but ultimately completed the program. Students who withdrew were counted in the class in which they matriculated. Students who took a short leave of absence for personal or medical reasons and completed their training were counted in the class in which they matriculated. Students who decelerated yet completed the program were counted in the class in which they matriculated.
